2014!

## From the Baroness and Baron

War! Glorious war is upon us. Soon the campfires of Estrella War XXX will be lit. Soon the roar of battle and revelry will surround us as we meet with friends and family from around the Known World. We would ask that all fighters start gearing up for melee practices as much as possible. Artisans and households will have their hands filled with work to be done in preparation. Many hands will be needed to build the great city in the desert that is Estrella War. We know that the SunDragon family will, as always, be seen everywhere and we ask that they once again wear the Kingdom blue and the markings of their Barony and households as they wish.

We will be traveling to all of the war practices over this next month and look forward to many of our hardsuit, rapier, and archery and siege combatants joining us. If anyone would like to help coordinate car pooling, please contact us. We can easily carry another 3 or 4 people and gear

ourselves, and are certain that there are others more than willing to help get our fighters to the practices.

By the time you read this we will already have started off the war practice season with the Central War Practice and polling. We thank all of those who donated their food and their time and efforts to the soup kitchen. As was announced in Kingdom court, the Baronial Polling was not able to be completed because not enough members of the Baronial populace wrote in or attended and made known their ballots. Because of this, another polling will be conducted between now and Saturday of Estrella War. Please look elsewhere for further announcements and please feel free to contact the Kingdom Seneschal at [seneschal@atenveldt.org](mailto:seneschal@atenveldt.org) with any questions you may have.

After Estrella there will still be much to look forward to. Mixed Weapons War and Baronial Investiture are just around the corner. We hope to see many family and friends all laughing and smiling together as we say our thank you and goodbyes and welcome with open arms our new Baroness and Baron of SunDragon.

# Letters of Intent

Unto Your Royal Majesties Morgan and Livia, Kingdom Seneschal Baroness Saba, Your Excellencies Baroness Viola and Baron Wilhelus and the populace of Sundragon, do **THL Iana of Whiteclif and Master Michael of Worcester** send greetings.

We are sending word of our intent to be considered for the position of Baroness and Baron of the great Barony of Sundragon. We wish to continue to guide and support this Barony in its honor and strength of the arts, be they the fighting arts or the gentler ones. We shall seek advice from the barony and temper it with our experience to maintain the fine reputation this Barony has earned over its 30 years.

THL Iana, Court Baroness, CQG, Flower of the Desert, Order of Leaf of Merit (West - service), Corolla Aulica (Mists-service), Full Honor of Sundragon, Full Scale of Sundragon, Corporal Fury of Sundragon, AA, currently is the Baronial lists officer. She has held positions of Chronicler (200 print run) (province) and Exchequer (shire). She has been in the SCA for 27 years and in Sundragon for eleven. Her strengths are in detail and paperwork. These came most recently to notice as site autocrat/contact for the church we frequently use for our indoor events. She has also done archery with a crossbow, and has assisted in running archery events.

Master Michael, OP, CQGC, CQG, Order of Leaf of Merit (West – service), Order of Rose Leaf (West – arts), GBC, Court Baron, Corolla Aulica (Mists- service), Rainbow’s Gold, Full Honor of Sundragon, Full Scale of Sundragon, Full Fury of Sundragon, AA, has received Queen’s Cypher on three occasions, been on two Princess’ guards (Mists) and numerous Queen’s guards (Atenveldt). He was the Baronial rapier marshal for four years, and is currently the emergency deputy rapier marshal. He served as Baronial Champion under the current Baroness and Baron. He has served as Deputy Kingdom Constable (sheriff) for 8 years, Constable (Principality), Marshal (Province), Seneschal (shire) and Marshal (shire). He has been in the SCA for thirty years, with the past eleven in Sundragon. He fought hardsuit for 20, did archery for about 15 years total, and rapier for eleven years. He stays active by marshaling in hardsuit, and shoots archery when able. Of course he is most active in rapier. His theater background supports his experience in the SCA to make timely decisions and to improvise as things change. His ability to run things was most recently seen as Champion for Sundragon and autocrating the Champions/Chatelaine event last year.

Together THL Iana and Master Michael have learned that at times it is best to attend separate events. This lets us spread

word of Sundragon events further and work out details for plans with other baronies. We have now reached a point in our lives that we can do this successfully and give both the positions of Baroness and Baron as well as the Barony itself the respect and time they deserve.

Our plans for new ideas from the barony added to old traditions and our experiences in the SCA, will make this a strong and growing Barony, with the honor it has shown to us since we arrived. One that we can call the best we have ever been a part of. We will work to increase, through shared experiences or sessions, participation in the arts and sciences and strengthen the officer core. We will make efforts to attend

practices of all the combat styles - archery, rapier, hardsuit, equestrian. We shall do as much as we can to increase numbers in these groups, either with special events, or changing how these styles are done at events to help spotlight them.

We fully understand the responsibilities of the position of Baroness and Baron and are willing to commit to the three-year term of these positions. If chosen, we will immediately extend our membership for the full term of the warrant. We also understand that, if accepted as a candidate by the crown our letter of intent will be published in the December and January newsletter.

In service, with Honor before Victory

Unto Their Royal Majesties, Ivan Petrovich and Ian'ka Ivanovna zhena Petrovitsa; Their Royal Highnesses, Morgan of the Oaks and Livia Alexandra Severa; Their Excellency's, Baroness Viola Carrara and Baron Wihelus le Casse; and The Kingdom

Seneschal, Baroness Saba O'Coileain, **do we Octavia Gaillard and Eirik Ising Steingrim** send warmest greetings.

It is our pleasure to submit this letter of intent to request the honor of being considered as the next Baroness and Baron of these, your lands, the Barony of SunDragon. We are fully aware of the responsibilities and obligations of the landed Nobility and are willing and able to fulfill them with all due respect and diligence. We are willing to commit to a three-year term, barring the displeasure of the Crown or our Populace. We understand that should our letter be

accepted, it will be published in the November 2013 Chronus.

Octavia has been part of the Kingdom of Atenveldt and the Barony of SunDragon since 2006. She received the Beacon of the Desert in June 2010, Flower of the Desert in August 2011, Star of the Desert-Gules in 2012 and the Award of Arms in 2010. Within the Barony of SunDragon she holds the Order of the Dragon's Scales for her arts and sciences work. Octavia is currently the Kingdom Chancellor of the Exchequer, and has been the deputy exchequer for the Barony of SunDragon in 2008. She has also been the emergency Deputy Kingdom Exchequer as well as Estrella War emergency Gate deputy as well Deputy A&S Collegium coordinator. Octavia has been a lady in waiting for the reign of Craven and Elzbieta in 2012 as well as in the Barony of SunDragon for Bannthegn Teresa and Bannthegn Katheline. Octavia is protégé to Master Michael of Worcester and

apprentice to Her Excellency Mistress Tvoislava Michelovna.

Eirik has been part of the Kingdom of Atenveldt and the Barony of SunDragon since 1992. He has received Flower of the Desert 2011, and obtained an Award of Arms in 1995. Eirik holds the SunDragon Baronial awards of the Honor of SunDragon for service, the Dragon's Scale for arts and sciences, the Dragon's Fury for fighting arts, the Rainbow's Gold, and the Baroness' Cavalier. Eirik was also Baronial Champion of the barony in 1996, Rapier Champion of the Barony, Twice Kingdom Rapier Champion and Bard of SunDragon. Eirik is currently a squire to His Excellency Sir Matthias Alexandros Casca and is an apprentice to Mistress Gwendolen Wold.

We endeavor to be considered for this most noble position of Baroness and Baron of SunDragon for our love of the people and the land that has given us a home. Our hopes are to:

Lead - Travel the lands of this glorious Kingdom as the landed Baroness and Baron bringing with us the hopes and dreams of our own people. Allowing them to see the lands of Atenveldt and experience the warmth and friendship that our brother and sister baronies so often give of so freely.

Support – To work with our populous to be stewards for Kingdom level events. To fight in crown tourney, warlord tourney with the support of the Barony behind them. To write letters

of recommendation for the populous that they are recognized for their endeavors on and off the field. To be a facilitator of stardust moments that makes each person's dream come alive in such a way that others join this barony. To support the officer corps in each of their offices to perform them at the highest duty available.

Inspire – It is our view if honored to be Baroness and Baron of these lands to inspire SunDragon to return to its time of fighting glory. To rise again to the heights of its service glory. To shine as it always has in the arts and sciences. To be the leaders that will bring back those Knights, Laurels and Pelicans that originated in this glorious land and have the populous be inspired by them.

We do realize that these goals are lofty but attainable not by ourselves but by giving all of ourselves to the Barony of SunDragon and in return seeing the land we love flourish with beauty, excitement and love.

Yours in service

Lady Octavia Gaillard  
Mka Rebecca Riney

Eirik Ising Steingrim

Mka Russell Riney

Greetings unto Their Royal Majesties, Their Royal Highnesses, Their Excellencies Baroness Viola and Baron Wilhelus, the Honorable Kingdom Seneschal, and the Glorious Populace of the Barony of Sun Dragon;

It is with humility and great respect that we, **Master Don Simon Aaron of Windermere and Lady Gwenfrewi of Abergavenny**, submit our names for consideration as candidates to become the next Baron and Baroness of Sun Dragon. We have invested

time reflecting on the duties and responsibilities of the office and believe that our long history within the SCA has prepared us to successfully lead the celebrated Barony of Sun Dragon.

We passionately believe that our Society provides a place where all should be welcomed, accepted, and encouraged. If blessed with the opportunity to serve as the Baron and Baroness, we would seek to inspire all those within the populace to find the stardust that fills our Barony with such joy. Sun Dragon is a family, everyone within our family has individual beliefs, knowledge, and skills that when put together build a strong community that lifts one another up to greater goals.

If chosen to be the next Baron and Baroness of Sun Dragon, we would address three main priorities:

- Build a strong and diverse officer corps that is able to effectively and efficiently assist in the management of the Barony
- Develop an action plan for recruiting and sustaining membership within the Barony
- Increase the Barony's visibility within the Kingdom, Known World, and community by encouraging travel and

We understand the hard work and time requirements needed throughout the three year commitment to the Barony and Kingdom. In preparation for this opportunity, we have spent the past year attending officer meetings, seeking the wisdom of both current and past Barons and Baronesses, speaking with the populace to gain perspective on the state of the Barony, and traveling throughout the Kingdom. We have also acted as stewards for events to better understand this process.

participation in demonstrations

By attending to these priorities, we believe the Barony of Sun Dragon can continue to grow and prosper.

Simon has been involved in the Society since 1988. He has previously served as Rapier Marshal for the Barony of Atenveldt and is currently the Rapier Marshal for the Barony of Sun Dragon. Simon had the privilege to act as the Captain of the Royal Rapier Guard during the reign of Duke Arthur and Duchess Gabriela. He has also served as Deputy Royal Liaison and Deputy Herald's Point Coordinator during Estrella War.

Gwenfrewi has participated in the Society since 1993. She has served as Chatelaine for the Barony of Sun Dragon and Lady in Waiting during the reign of Duke Tristan and Duchess Damiana. Gwenfrewi encourages the populace to show their great works of art and service by acting as the Gift Basket Coordinator. She is also currently the Arts and Sciences Minister for the Barony of Sun Dragon and previously held the position of Emergency Deputy of Arts and Sciences for the Barony. As the Baronial Bard, Gwenfrewi has sought to inspire the members of Sun Dragon's populace through song, story, and dance.

We seek these offices with open eyes but more importantly open hearts. It is with great respect that we thank you for considering our humble request.

We understand that should we be accepted as candidates by Their Majesties and Their Highnesses, this letter will be published in the Southwinds and the Chronus Draconum.

As always in service to the Crown of  
Atenveldt, the Barony of Sun Dragon,  
and the Dream, Master Don Simon

Jenifer Yoxall

Greetings unto Their Royal Majesties of the  
Kingdom of Atenveldt, Ivan and Ian'ka,  
Their Excellencies of SunDragon Viola  
Carrara and Wilhelus le Casse, and Baroness  
Saba O'Coileain.

We hope this missive finds you well and  
prosperous.

Please accept this as our letter of intent to be  
considered for the position of Baroness and  
Baron for the Barony of SunDragon. Even  
though we live outside the assigned zip  
codes, we have played exclusively in  
SunDragon for over two decades. We have  
considered SunDragon our home since we  
began participating in 1992 no matter what  
our physical address was in the metropolitan  
Phoenix area.

We know that the position of Baroness and  
Baron would make us the voice of  
SunDragon and an extension of Your voice  
to Your great populace of the Kingdom of  
Atenveldt. We are aware that this is a three  
year commitment and requires a great deal  
of time and effort to ensure that Your lands  
continue to grow and prosper within the  
Kingdom of Atenveldt.

SunDragon is our family and has been since  
we discovered the SCA. The people that we  
have met through our selected family have  
taught us and have inspired us through our  
journey and we would like the opportunity  
to give back to our family so that others may  
enjoy the dream as we have.

We are aware of the responsibilities of  
running the Barony which include ensuring  
that the officer corps is full and submitting  
all the necessary reports in a timely manner  
to the Baronial Seneschal and their Kingdom  
counter parts when necessary. A successful  
Barony is one that is lead by the Baron and  
Baroness who have a strong working  
relationship with their officer corps.

The future of the Barony is one that  
continues to evolve as times change and  
members come and go. We know that  
growth is one of the major concerns and  
would like to see an increase in our active  
members of ten percent per year. To  
achieve this goal we may need to pursue  
more demos in different venues. We wish to  
continue "traditions" but also would  
encourage the exploration of new ideas that  
might bring growth to our wonderful

Barony. We would like to see the knowledge and the experience of the Peers of the Barony passed down so that the younger generation of the Barony may benefit from their guidance. We know that to be a successful Barony all activities must be supported; this includes all fighting styles and the arts and sciences community. Members of the populace should be congratulated on their accomplishments, and encouraged to continue their pursuits within the Dream.
