

BARONY OF AEMVELDT

28th day of January,
AS XVII

Unto all who may read these presents, Greetings!

Know that we have received reliable report that the Canton of Sundragon, subsidiary to the Barony of Aemveldt, has a sufficient population of paid members of the Society for Creative Anachronism, Inc. and a full staff of competent officers, sufficient to qualify for Baronial status. We urge this advancement. We further urge that the founders and administrators of the Canton of Sundragon, Mistress Alyp Carvelsdotter & Mistress Mary-Margaret of Derby be jointly invested as Founding Baroness of the Barony of Sundragon.

By our own hands this 28th day
of January, AS XVII,

Alicia de Alyshoret
Baroness of Aemveldt

Josef,
Baron of Aemveldt
